QUALITY CHRISTIAN EDUCATION WITH THE MASTER'S TOUCH

Introducing the NEW KEYS!

You are reading the St. Peter's Keys Newsletter. A hard copy of this newsletter is sent home with your child each Monday or if we are not in school on Monday, the first day of the week. This newsletter can also be found on our website at discoverstpeters.org. Please be sure to read this newsletter as you will find important information about current and upcoming events.

Bible Inspo:

Carry each other's burdens, and in this way you will fulfill the law of Christ.
Galatians 6:2

Do not forget to do good and to share with others, for with such sacrifices God is pleased.
Hebrews 13:16

Classroom Corner

What a wonderful year we have had in kindergarten! Each student has grown so much and accomplished so many things. God has definitely begun a good work in each student both academically and spiritually.

Not only did we enjoy a wonderful field trip to the Buffalo Zoo, but we have also been working hard to complete much of our curriculum. In Bible, we are learning about the days after Jesus' resurrection and His ascension. In Reading, we continue to practice our many skills! We have started writing a question-and-answer book that we hope to share with the Preschool class when we are finished. Center time remains a highly anticipated part of our day! This is when the students are able to practice the skills we have learned in reading and math in a small group. There is also a group that gets to make a special craft that goes along with the theme of the week. In math, we have been learning about money specifically about how to identify the coins. After completing our Social Studies curriculum we will be ending the year celebrating the things that make the United States so special. Our science lessons this year will end with us learning about outer space and the planets. Whew! Kindergarten is definitely a busy place!

We are definitely looking forward to all of the special days ahead including kindergarten graduation! There is so much to excited about and thankful for as we finish the year. God is so good and has richly blessed us each and every day throughout this year!

Each of our classes will be putting a basket together. Your child's teacher will contact you about what is needed.
